MEMORANDUM FOR: Each Member of the Support Directorate

SUBJECT : Appreciation

1. I write to express to each of you my very sincere personal and official appreciation for the efforts which have made the Support Directorate the top-flight organization it is. I have had the pleasure and privilege of sitting in the senior chair but it is each of you who did the work. I thank you also for your personal kindnesses and courtesies during my tenure.

2. The Support Directorate has many things to do in the time ahead, both new and challenging as well as pre-existing and comparatively routine. Every bit of talent, ability and initiative which you individually and collectively possess will be needed to accomplish all of them, thereby continuing to ensure the betterment of the whole Agency on a continuing basis. I ask each of you to give to the new command the same "support" which you so willingly and openly gave to me.

3. Each of you has my very best wishes for unlimited future success.
